

**PARK LAKE PRESBYTERIAN CHURCH
The MEMORIAL GARDEN**

Construction on our Memorial Garden with Columbarium is now beginning. We look forward to how this meaningful addition will provide a place for remembrance and reflection and enhance the beauty of our church, while accommodating the true, growing needs of our members. Other churches have expressed how their own memorial areas have helped to create greater emotional bonds between church and family.

You are invited to learn more about the Memorial Garden project. Please detach the lower portion of this sheet, check one or more of the applicable titles and return it to our office (or simply return it with your weekly offering). A committee member or one of the pastors will be happy to contact you and discuss any questions that you may have.
