THANK YOU MR GRAY

for five wonderful years of dedicated service as Scoutmaster

THANK YOU MR. GRAY

After five years and David Gray steps aside as Troop 48's Scoutmaster.

Scoutmaster David Gray was recognized last week for his five years of service as Scoutmaster of Troop 48. David's son Cory officially earned Eagle Scout just days earlier. David's hands-on leadership has been instrumental in creating a wilderness-ready, seafaring group of young men who can camp, paddle, sail, swim and fish with the best of them. He's dedicated countless hours and resources to Troop 48 over the years serving as tow vehicle, chauffeur, boat captain, chef but most of all Scoutmaster. .

“I was honored to see three boys in Troop 48 earn Eagle in my time here”

Both Mr. Gray and Cory plan to remain active in the troop but are excited to be able to spend more time on the water with Cory's Crew Team

at Edgewater High School where they have been active while not engaged in scouting activities. Mr. Gray will still be our goto guy for adventures on the water. Once a scout always a scout.

The new Scoutmaster will be Mr. Jon Craig. Mr. Craig's son Jonah has been with the troop for a couple of years. Jonah's little brother Jack, though only eight, has been on nearly every outing as a mascot.

Troop 48 Meetings are held every Tuesday evenings at 7pm. They are ninety minutes. All are welcome. You need not know a thing about Scouting to attend. That's what we're here for.
