Call to Worship

God is Three and God is One

God is beyond and God is now.

God is with

And God is within all that God has made.

By the power the Spirit, let us worship the One God who is Love.

Prayer of Praise and Adoration

*Hymn of Praise No. 1

Holy, Holy, Holy, Lord God Almighty

Scripture Reading

Proverbs 8:1-4, 22-31

(Pew Bible, OT. pg. 557)

Call to Confession

God created us to be caretakers of all God's creation, we know how often we have sunk to depths of faithless living. We lack the stamina to follow Christ through the Kingdom, and we ignore the Spirit's calls to bring the world to accountability of God's way of living. Still and miraculously, God looks into our souls and sees the delight of God's heart. Let us join in prayer to the One who does not disappoint us.

Prayer of Confession

God of Glory, Grace and Wisdom, You call to us, but we are not listening. Why do we trust in the emptiness of the world, but are reluctant to hope in Your life-giving Word? Why do we brag about our successes, but ignore the sufferings of others? Why do we demand justice for lawbreakers, and ignore the ways that our own lifestyles are broken?

Compassionate Creator God: have mercy on us;

Beloved Redeemer Son: have mercy on us;

Life-Giving Spirit: have mercy on us.

(silent prayers of confession)

Declaration of Forgiveness

Poured into our hearts, God's love gives us hope and new life.

This is good news! God loves us, God forgives us, God calls us to service!

Thanks be to God. Amen.

What is the **Nicene Creed**? A Creed is a statement of what we believe based on scripture and practice of faith. While a single creed does not capture everything about faith it is a summary of Christian tradition. The Nicene Creed is the first official doctrinal statement of the Christian Church, developed in the 4th century A.D. The creed was primarily meant to address the divinity and humanity of Jesus and the personal reality of the Holy Spirit. (For more information on confessions go to www.pcusa.org, search “book of confessions.”)
