Jesus Calms the Storm Bible Story
Jesus Calms the Sea and Boat Crafts

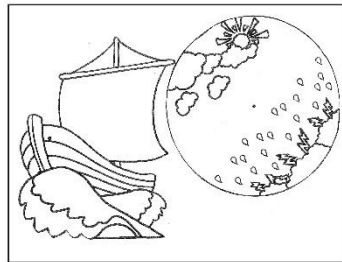

Have you ever been afraid like the disciples in the storm? Jesus can help us stay calm.

Option 1: Jesus Calms the Sea #1

Supplies:

- Weather and Boat Coloring Page
- Markers, crayons or colored pencils
- Scissors
- Metal brad or a wire twist tie

1. Print out the Weather and Boat Coloring Page.
2. Color it with markers, crayons or colored pencils.
3. Cut out the round weather picture and the boat picture.
4. Poke a hole through the two pictures (as indicated by the dot on both pieces). Using a metal brad or wire twist tie, poke it through the hole to attach the two pieces together. Now you can tell the story showing the storm and the calm.

Option 2: Recycled Boat Craft

Supplies:

- Plastic bottle or container caps, bar of soap, toilet paper roll, other found objects (your boat)
- Craft sticks, coffee stirrer stick, stick from your backyard or pencil (your mast)
- Construction paper or aluminum foil (your sail)
- Markers, crayons or colored pencils
- Scissors
- Tape, glue, hot glue gun

1. Use what you have at home to create a unique boat. Use your imagination and have fun!
2. Make a sail from construction paper or aluminum foil.
3. Glue or tape the sail to the mast and attach to your boat.
4. Tell the story of Jesus calming the storm.

Option 3: Jesus Calms the Sea #2

Supplies:

- Paper plate
- Scissors
- Markers, crayons or colored pencils
- Tape or stapler
- Construction paper
- Plastic drinking straw or pencil
- Jesus and Disciples Coloring Page
- Craft sticks

1. For your boat, cut the paper plate in half.
2. Color the back of the paper plate brown or whatever color you would like your boat to be.
3. Staple or tape the round edge of the two halves of the paper plate together, leaving the straight edge open.
4. To make the sail, cut a piece of construction paper into a 5-inch square or triangle. Punch two holes in the sail and put the straw or pencil through the holes. Tape to the inside of the boat.
5. Print out the Jesus and Disciples Coloring Page, color and cut out the figures. Tape Jesus and the Disciples onto craft sticks and tape them into the boat. Color the dove and place on the sail.
6. Tell the story of Jesus calming the storm.
