Directions for Option 3, Zacchaeus 3-D Diorama

1. Print the Jesus and Zacchaeus Craft Page and color the smaller pictures using crayons, markers or colored pencils.
2. Cut out the smaller pictures of Jesus and Zacchaeus.
3. Using colored paper, cut out a tree shape for Zacchaeus to sit in. Or color a toilet paper roll for the tree trunk and use bits of green paper or tissue paper to glue onto the tree to make it look "leafy".
4. Decorate your 3-D Diorama scene inside the small box with a road for Jesus to walk along and grass for the tree to be planted in. Use your imagination! Glue or tape your tree with Zacchaeus in it and Jesus on the road.
5. Tell the story to your family and show them your new creation.
