Thank you for
sharing God's love
with our neighbors!

Today our knights learned the story of Shadrach, Meshach, and Abednego standing true in the fiery furnace. We then dove into our Knights of North Castle theme by building and decorating our own castles from recycled materials. Our knights will take home their castles, as well as their other crafts from the week, after our closing assembly on Friday. We rounded out our first day of VBS by playing some exciting games, building an invisible fire extinguisher, and enjoying a Jell-O snack inspired by today's Bible story. See you tomorrow for more adventures at North Castle!
