This morning, our pages and squires learned the Bible story of David defeating the Philistine champion Goliath. Our knights then had the chance to conquer their own Goliath by using bean bags to knock down a cardboard cutout of the Philistine warrior during games. Our knights further relished their victory by snacking on Goliath's sword—a decorated pretzel rod—before exploring the science of catapults. Rounding out day two at North Castle, we added some finishing touches to our recycled castles. Our quest continues tomorrow! Armor up!
