On our penultimate day at North Castle, our knights armored up with faith and explored the story of Jesus walking on water. They then snacked on an edible version of the story, a graham cracker frosted with blue icing and topped with a Teddy Graham as Jesus. Experimenting with soap boats at our science station allowed us to spend some more time on the water with Jesus. To wrap up the day, our pages and squires decorated their own shield of faith with a colorful cross and stickers and played the games Castle Quest, Balance Relay, and Corners in the Castle. See you tomorrow for the conclusion of our quest!
