**Bible Story**

**Faith Through the Roof**  
Luke 5:17-26

**Signal Verse**

Arise! Shine! Your light has  
come: the Lord's glory has  
shone upon you! (Isaiah 60:1)

**Pathfinder**  
Arise! Shine with Faith!

**VBS Mission project**

We are continuing to collect school supplies to donate to Washington Shores Elementary school, tomorrow through Friday. We are collecting backpacks and school supplies, or cash donations this week. Let's help children in need to have a successful school year! See the Washington Shores school supply wish list below.

What are some ways we can help our friends who are in need?

**VBS Update**

**Today, the Adventurers** learned the Bible story about four friends helping their friend who was sick (Luke 5:17-26).

In the **PreK-4 class**, we colored the Discovery on Adventure Island coloring page that was attached to our craft bags. We made a foam lantern today. We played a game called 'stuck like glue', we learned the Bible Story of friends being helpful and having great faith.

In the **craft room**, we finished our sand art pictures from Tuesday. We made 3-D paper lanterns reminding us about our Signal verse, **Arise! Shine! Your light has come: the Lord's glory has shone upon you! (Isaiah 60:1).**

**Craft Reminder:** The craft bags (paper grocery bag) will be ready to take home after VBS on Friday, they are filled with all of our creations from the week! Please remember to pick them up as you leave on Friday, they will be sorted by group.

In **Science**, we saw how to create a "floating man" by drawing the stick man on a ceramic plate with a dry erase marker and gently pouring water on it. The little man floats up into the water.

In **Recreation**, we had a relay carrying our sick friend on a yoga mat with stuffed animal, passing the ball over and under with lots of teamwork and musical islands hopping in hula hoops when the music stops.

**Mission Reminder:** Please bring school supplies tomorrow and Friday to help our friends at Washington Shores Elementary school. This is a great way to help our community in need!

## Park Lake Vacation Bible School 2022 Mission Project

Many families with connections to Park Lake Church or Child Care know that we have been regularly collecting food and hygiene items for the pantry run by Washington Shores Presbyterian Church. Last year's VBS mission project supported that endeavor.

This year we want to help struggling families of the same area by donating needed school supplies for students at Washington Shores Elementary School. We know many students get excited to go "back to school shopping" but it can be stressful for parents who find it challenging enough to pay rent and purchase food for the family. Let's try to help these students prepare for a successful school year! The following is a "wish list" from the school. Cash donations are welcomed, as well. Monies can be used for other needs of children such as jackets for cold weather or sneakers for P.E. class.

Thank you so much for your generosity!

- backpacks (the below supplies will fill the backpacks)
- composition notebooks
- 24 count crayons
- markers
- pencils
- cap erasers
- large pink erasers
- Clorox/disinfectant wipes
- Kleenex
- baby wipes
- 3-pronged pocket folders
- dry erase markers
- lined notebook paper
- ear buds/headphones
- hand sanitizer
- gallon Ziplock bags
- pencil pouch/box
- glue sticks
- enclosed pencil sharpener
- quart size Ziplock bags
- liquid soap
- reams of copy paper
- band-aids
- scissors
- computer/electronic wipes
- colored pencils
- ruler with centimeters and inches

***\*\*The items above are generic supplies that are needed for students to kick off the school year. ANY and ALL donations are truly appreciated!***
