## Day 4

### Bible Story

**The Lost Parables**  
Luke 15

**Pathfinder**  
Arise! Shine with Joy!

### Signal Verse

Arise! Shine! Your light has  
come: the Lord's glory has  
shone upon you! (Isaiah 60:1)

### VBS Mission project

Thank you Adventurers, for bringing in school supplies to donate to Washington Shores Elementary school. Friday is our last day to bring in backpacks and school supplies, or cash donations this week.

What are some ways we can  
share our Joy with others?

**Today, in Bible time, the Adventurers,** heard the Lost Parable stories from Luke 15.

In the **PreK-4 class,** we acted out the part of the story of the son coming home and his father was so joyful!

For our **Science** project, we mixed baking soda and vinegar to create carbon dioxide to inflate a balloon. We also used the same mix to shoot the top off a little plastic container. During **Snack time,** we ate a yummy treat of graham crackers and popcorn that looked like a sheep! In **Recreation,** we ran a "Lost" relay, passing sheep, coin and lost son (Stuffed animal, disc and ball) over head then running to the end of the line to keep going. Another game we played was No Peak Catch sitting down with a sheet between teams and catching the ball. We played clean up your room with lots of little balls all over and cleaning them up into the garbage can. In **crafts,** we made a cross ornament with Model Magic and decorated them with colorful beads.

VBS photos will be available on Friday at [plpc.org](http://plpc.org).

## Park Lake Vacation Bible School 2022 Mission Project

Many families with connections to Park Lake Church or Child Care know that we have been regularly collecting food and hygiene items for the pantry run by Washington Shores Presbyterian Church. Last year's VBS mission project supported that endeavor.

This year we want to help struggling families of the same area by donating needed school supplies for students at Washington Shores Elementary School. We know many students get excited to go "back to school shopping" but it can be stressful for parents who find it challenging enough to pay rent and purchase food for the family. Let's try to help these students prepare for a successful school year! The following is a "wish list" from the school. Cash donations are welcomed, as well. Monies can be used for other needs of children such as jackets for cold weather or sneakers for P.E. class.

Thank you so much for your generosity!

- backpacks (the below supplies will fill the backpacks)
- composition notebooks
- 24 count crayons
- markers
- pencils
- cap erasers
- large pink erasers
- Clorox/disinfectant wipes
- Kleenex
- baby wipes
- 3-pronged pocket folders
- dry erase markers
- lined notebook paper
- ear buds/headphones
- hand sanitizer
- gallon Ziplock bags
- pencil pouch/box
- glue sticks
- enclosed pencil sharpener
- quart size Ziplock bags
- liquid soap
- reams of copy paper
- band-aids
- scissors
- computer/electronic wipes
- colored pencils
- ruler with centimeters and inches

***\*\*The items above are generic supplies that are needed for students to kick off the school year. ANY and ALL donations are truly appreciated!***
