VBS Update

Today, we heard the Bible story that is called "one of the most important in the Bible", the story of Mary Magdalene at the Tomb, John 20:1-18.

In the **PreK-4 class**, we listened to the Bible story and played a game about recognizing different voices. We decorated paper crosses with stickers and foam pieces. We learned how joyful Mary was when she recognized Jesus' voice in the Bible Story.

For our **Science** project, we made a volcano out of dish soap and hydrogen peroxide and yeast. During **Snack time**, we ate crunchy trail mix for Mary on her journey to the tomb.

In **Recreation**, we played animal relay, bean bag toss into hula hoop and buckets, pool noodle switch, volcano with parachute into clean up the lava.

In **crafts**, we decorated paper crosses with stickers and colored a picture of Mary at the Tomb.
